The case has gone unsolved ever since. The only witness is an amnesiac with a bullet lodged in her brain. The bullet is a ticking time bomb that could kill Butterfly at any moment. Jack is afraid for her. But should he be afraid of her? She's been suffering from violent mood swings. Sometimes she acts like a completely different person.

She Is Gone: A gripping thriller that will keep you ...

Rachel Price is a fantastic, relatable protagonist and this case is even more gripping than the first.

We learn far more about Rachel in this story and there are some really moving moments but the tension of the case drives the plot forward at a cracking pace. Can't wait for the next in the series! I've pre-ordered to be on the safe side.
