2018 CBR650F OVERVIEW - Honda Most sport bikes are designed for racing displacement classes. How does that help you if 100% of your riding is done on the street? Instead of making another 600, we added 50cc to fatten up the CBR650F's inline-four engine that delivers a powerband that's suited for a wide range of riding styles. We also opened up the rider triangle to create a bike that's more ...
