Objective test questions may be constructed as a list of possible answers, requiring the students to recognize the correct one from the list. These questions include matching, true/false, and multiple choice. Other objective test questions, like fill-in-the-blank questions, require that the student recall the correct answer from memory.

Objective questions and answering for English studies are variable. The common factor involved in the test is the fact that the questions require logical thought processes and the remembrance of facts, figures and information read throughout the problem or previously

studied. To pass the objective question test in English, students must first understand the types of tests that prevent objective questions and how to break down the question to pass.
