A/V Receivers - Onkyo

The receiver I got with it was a TX-NR509 and now it has developed the no sound fault. The good news is that Onkyo know they have a problem with many of their models and now offer a free re-

pair for those with problems. You must enter your product serial number to check your device is covered but I hope this is of some help to others.

Powerful Stereo Receiver with 100 Watts per channel Stream from mobiles, smartphones, tablets, laptops and PC via Bluetooth or listen to FM/DAB+ radio Connect your turntable with the built-in phono stage, your CD player via the analog inputs and your TV or media streamer via the digital inputs

ONKYO, at its sole discretion, through an ONKYO Authorized Independent Service Center repair or replace a product with a refurbished or reconditioned unit having comparable features and a limited consumer warranty or refund the original purchase price. This Limited Warranty ONLY COVERS failure due to defects in original materials or workmanship.
