Stickers can offer far more than amusement. In Math Stickers the stickers become manipulatives, requiring a child to locate the correct sticker in order to solve the problems, creating an interactive learning experience. Soon kids will be able to recognize that each numeral has a unique name and shape, and each numerical symbol represents a number. This, along with counting objects, builds important early math skills. Add colorful illustrations, games, matching and reward stickers to the mix and a child can't help but be engaged in this colorful world of numbers. See for yourself—engage your child in Math Readiness today. Get your child stuck on learning!

The activities build on one another throughout the book, helping children to become more confident and independent as they go. Notes to parents on every page provide helpful directions for extending the learning. Plus, this unique workbook comes with 80+ stickers which are used in certain activities, and as rewards for a job well-done

School Zone sticker workbooks provide a fun-filled introduction to important readiness skills. Each workbook is carefully designed and reviewed by teachers to promote your child's early learning success. The interesting activities, clear directions, and interactive stickers will provide hours of educational fun for your child.

The Get Ready for School sticker workbook introduces your child to a variety of readiness basics through playful activities. The interesting lessons focus on counting and adding objects and money, interpreting graphs, identifying basic geometric shapes and patterns, understanding sequences, identifying beginning sounds, matching and comparing, reviewing alphabetical and numerical order, and more. Letter, number, and picture stickers enhance your child's learning adventure. (64 pages | Ages: 4-6)
