'The Kleinian Development is based on transcripts of seminars given during the 60s and 70s at the Tavistock Clinic to child psychotherapists in training and at the Institute of Psychoanalysis. [Meltzer's] voice echoes through the pages, eliciting memories of the many occasions on which he offered his audience the benefit of his observational skill and sometimes startling intuitions.

The Kleinian development

In September 1926, Melanie Klein moved from Berlin to settle in London at the behest of Ernest Jones, who was the president of the British Psychoanalytical Society at the time. In the year preceding her journey to Britain, Klein had suffered the death of her analyst, Karl Abraham, who had provided her with much of the emotional

The years of joint travel and teaching with Martha Harris were also the backcloth to his formulation of a revised picture of early infancy, in which the 'aesthetic conflict', that is the impact on the baby of encountering the 'beauty and mystery' of mother, was placed at the beginning of life, and the Kleinian account of paranoid-schizoid phenomena seen as a defensive retreat from this. Perhaps the contemporary view would be that the subtle variations in the forms of mother-baby ...
