The Winds of Winter is the planned sixth novel in the epic fantasy series A Song of Ice and Fire by American writer George R. R. Martin. Martin believes the last two volumes of the series will total over 3,000 manuscript pages. They will take readers farther north than any of the previous books, and the first of the two will

feature the Others. Martin has refrained from making hard estimates for the final release date of the novel.

The Winds of Winter - Wikipedia

Martin added, "It is called The Winds of Winter, and I've been telling you for 20 years that winter was coming. Winter is the time when things die, and cold and ice and darkness fill the world, so this is not going to be the happy feel-good that people may be hoping for. Some of the characters (are) in very dark places."
